IMMERSE YOURSELF

# 5 sicilytour

Driving a completely and meticulously restored Fiat 500 from the 70s, along the little streets of the historic center of Agrigento, a city described by Pindaro as the most beautiful among mortals, is possible today with the 500 Sicily Tour. Guests will be picked up directly from their accommodations to be guided along a truly memorable experience in Sicilian style. Our professional driver will assist you in driving the historic car or he will drive for you so you can enjoy the view of panoramas, historic buildings and monuments all over the historic city center of Agrigento. During the tour you will be able to stop in order to take pictures, buy souvenirs and taste Sicilian delicacies.
